PERFORMANCE INDICATORS

Knowledge of Job: Has general knowledge of the policies, procedures and activities of the City and general maintenance, construction and/or janitorial practices as they pertain to the performance of duties relating to the position of Crew Worker. Has general knowledge of general maintenance practices as necessary in the completion of daily responsibilities. Knows how to keep abreast of any changes in policy, methods, equipment needs, etc. as they pertain to departmental operations and activities. Is able to effectively communicate and interact with supervisors, and all other groups involved in the activities of the department. Is able to use independent judgment as situations warrant. Has the ability to comprehend, interpret, and apply regulations, procedures, and related information. Has comprehensive knowledge of the terminology, principles, and methods utilized within the department. Has the mathematical ability to handle required calculations.

Quality of Work: Maintains high standards of accuracy in exercising duties and responsibilities. Exercises immediate remedial action to correct any quality deficiencies that occur in areas of responsibility. Maintains high quality communication and interacts with all departments and divisions, co-workers and the general public.

Quantity of Work: Performs described "Essential Functions" and related assignments efficiently and effectively in order to produce quantity of work which consistently meets standards and expectations of the organization.

Dependability: Assumes responsibility for doing assigned work and for meeting deadlines. Completes assigned work on or before deadlines in accordance with directives, policy, standards and prescribed procedures. Remains accountable to assigned responsibilities in the technical, human and conceptual areas.

Attendance: Attends and remains at work regularly and adheres to policies and procedures regarding absences and tardiness. Provides adequate notice to supervisors with respect to vacation time and time-off requests.

Initiative and Enthusiasm: Maintains an enthusiastic, self-reliant and self-starting approach to meet job responsibilities and accountabilities. Strives to anticipate work to be done and initiates proper and acceptable direction for the completion of work with a minimum of supervision and instruction.

Judgment: Exercises analytical judgment in areas of responsibility. Identifies problems or situations as they occur and specifies decision objectives. Identifies or assists in identifying alternative solutions to problems or situations. Implements decisions in accordance with prescribed and effective policies and procedures and with a minimum of errors. Seeks expert or experienced advice where appropriate and researches problems, situations and alternatives before exercising judgment.

Cooperation: Accepts supervisory instruction and direction and strives to meet the goals and objectives of same. Questions such instruction and direction when clarification of results or consequences are justified, i.e., poor communications, variance with City and/or department policies or procedures, etc. Offers suggestions and recommendations to encourage and improve cooperation between staff persons and departments within the City.

Relationships with Others: Shares knowledge with managers, supervisors and staff for mutual and departmental benefit. Contributes to maintaining high morale among all department employees. Develops and maintains cooperative and courteous relationships with department staff, employees and managers in other departments, representatives from organizations, and the public so as to maintain good will toward the department and to project a good department image. Tactfully and effectively handles requests, suggestions and complaints from other departments and persons in order to maintain good will within the department. Emphasizes the importance of maintaining a positive image within the department. Interacts effectively with General Maintenance Superintendent, department heads, staff, elected officials, and the general public.

Coordination of Work: Plans and organizes daily work routine. Establishes priorities for the completion of work in accordance with sound time-management methodology. Avoids duplication of effort. Estimates expected time of completion of work assignments and establishes a personal schedule accordingly. Attends required meetings, planning sessions and discussions on time. Implements work activity in accordance with priorities and estimated schedules.

Safety and Housekeeping: Adheres to all safety and housekeeping standards established by the department and various regulatory agencies. Sees that the standards are not violated. Maintains a clean and orderly workplace.
